Dear Michael,

On behalf of the families, staff and Board of Directors of Ronald McDonald House BC, I would like to thank you for your generous reimbursement of \$350.00. Please find enclosed a charitable tax receipt for your records.

It always means a lot when the businesses that serve us identify with our commitment to providing a warm and caring "home away from home" for seriously ill children and their families.

What makes the House so special are the people. The inspiring people who depend on it - the people who volunteer their time and energy and people like you who generously support the work we do

Thank you for caring.
