Dear Michael:

*re: 65 Roses Gala Presented by The Hbc Foundation*

POSTED

The 7<sup>th</sup> Annual 65 Roses Gala was another success, one that would not have been possible without your sponsorship and support. Please find enclosed a business receipt for your sponsorship, so that you can claim the sponsorship as a marketing expense.

This year the net revenue will be just over \$146,000 and while the goal of net one million was just beyond our reach, I am confident we will reach this goal next year.

Once again our special volunteer photographer, Matt Smart, donated his time and talent taking pictures throughout the evening. The pictures have been posted at:

[http://www.geocities.com/smarty\\_space/CFgala2007/](http://www.geocities.com/smarty_space/CFgala2007/)

(He must have enjoyed your area of the ballroom as I see your table of guests in a number of the shots. I hope you will enjoy the pictures.)

As we gather with friends and families during the holiday season it is a time to reflect and to set goals for another year. Our goal is a world where CF is no longer a progressive life-shortening disease and with your support this will happen. Merry Christmas and the very best for 2008!

Yours truly,

Joyce Taylor  
Chapter Manager
