Dear Michael,

On behalf of the families, staff and Board of Directors of Ronald McDonald House BC I would like to thank you for your donation of \$500.00. Please find enclosed a charitable tax receipt for you records.

Ronald McDonald House BC relies on your support to ease the financial pressure on out-of-town families who must travel to Vancouver for their child's treatment at BC Children's Hospital. Your donations also provide emotional support by allowing families to stay together, experience the comforts of home, and focus on the most important thing: caring for their sick child.

What makes the House so special are the people. The inspiring people who depend on it, the people who volunteer their time and energy, and the people like you who make our work possible. Thank you for your continued support, and for making a real difference to BC families this holiday season.

Sincerely,

Richard Pass
